Extension of Agreement with Network Rail

SpaceandPeople plc (AIM:SAL) is delighted to announce a further extension to its commercialisation agreement with Network Rail for the provision of exhibitions, events and distribution activity until 30 September 2024 (the "Agreement").

The Agreement continues to cover Network Rail's portfolio of major London and regional railway stations (including London King's Cross, London Waterloo, London Paddington, Birmingham New Street and Glasgow Central) as well as Victoria Place Shopping Centre in London, providing exclusive access to many of the highest footfall venues and prestigious spaces in the United Kingdom.

Nancy Cullen, CEO of SpaceandPeople said: "I am absolutely delighted that we have again extended our relationship with Network Rail for a further year. We look forward to continuing to work closely with the Network Rail team to deliver even more high quality brand events into their stations over the coming year."
